Space Needs Questions

This questionnaire is intended to be completed by the department heads. These will be the questions that we would like you all to start thinking about prior to our meetings scheduled for October 7th-10th. You will also be asked to indicate what space is occupied by your department which we'll mark on the floor plans. Thank you.

- a. By campus, indicate where department space is located on floor plan (consultant will bring the floor plan)
- b. By campus, discuss how space serves the department's needs, i.e. enough? Well located for functionality?
- c. By campus, discuss anticipated future growth on space needs.
- d. By campus, discuss any planned new programs, and their space needs.
- e. By campus, discuss any common spaces that are needed.
