Comments:

Likes:

- Like separated building, grounds, parking, accessibility to metroplex

Needs:

- Drainage on sidewalks
- Need better campus lighting
- Confused with Resource Connection
- Sign denoting “TCC” out front
- DSS – Privacy for counseling, testing rooms
- Joe B. Rushing – Needs parking area – get parking off street
- Observatory on top of buildings
- Signage in parking lot
- Building signs and kiosks
- Don’t know where to start when you enter campus – need wayfinding system
- Need visitor parking clearly marked
- Drop off area
- Pedestrian crossings
- Visitors Center needed
- Counseling, testing, DSS, financial aid, registration, bursar – should be locked in Student Center building
- Panic button in labs, classrooms

- Need panic bars on all bars – can lock yourself in
- Emergency call boxes
- Locks throughout all campuses – must fix locks
- Phones or intercom to contact police and A/V system
- Security for faculty in faculty offices
- Need more computer lab
- Need a better art lab
- Blowing circuit for wiring for computers
- Need to access the internet in classroom
- Only campus that can access nursing classes – need to be connected remotely
- Math will loose classroom for computer labs
- No seating area for students
- Classroom space (30-40) students
- Offices faculty – too small
- Need more adjunct faculty offices or adjunct facility
- Learning labs are very successful and now need to be larger – science lab needs to much larger 2-3 times
- Need places for people to go just to check email
- Need study rooms for small groups
- Need meeting rooms for activities
- Multi-purpose spaces
- student union with gathering spaces – “Starbucks” would be nice

Needs To Go:

- Rotunda – horrible
- Student Center
- Counseling – testing area

Need Major Renovation:

- Academic classrooms – odd shaped classrooms
- Clinical lab space in nursing area
- Art building classroom needed
- Would need to replace Auditorium in Rotunda if the Rotunda were to be demolished, it is heavily utilized
- Need better A/V equipment in classrooms
- Smoking designated areas
- Prefer for faculty to be within buildings
- Leaking roofs in science building, music building, and nursing building
- Need shelter outside – covered area with beaches for people waiting outside
- Performing Space
- Performing space could be internal with Student Union
- Security cameras monitored by police
- ADA issues throughout

INNOVATIVE APPROACHES... PRACTICAL RESULTS
