Widen road & improve intersection with Hwy. 26 widening.

NDSC, NDSW, NBSE:
Remove District Service Center building & move functions to Physical Plant building.

Improve functionality & layout of physical plant/ building services area.

NTAB:
Update furniture, fixtures, & equipment throughout building.

NACB:
Update furniture, fixtures, & equipment throughout building.

NFAC:
Remove Faculty Office Building and replace with new academic building with state-of-the-art general purpose classrooms. Disburse faculty offices throughout academic buildings.

NBSS:
Replace NBSS with new Student Services building and Student Union. Relocate Information Technology in District Physical Plant building.

NADM:
Reconstruct larger Administration building to meet expansion needs and be the "front door" and main entrance into campus.

Move Visitor Parking Lot and realign view corridor to be on axis with main entry. Create public plaza anchored by new Administration, Student Services, Student Union, Library, NCAB, and Community/Conference Center.

NHSC:
Remodel for additional classroom, faculty offices, & storage space if health-related programs move to Downtown campus.

NDPA & NDPB:
Remove buildings.

NHPE:
Renovate third floor. Expand/ re-work other classroom/ gym areas.

NLIB:
Expand Library for additional space and renovate south exit ramp.

NFAB:
Update classroom spaces, art studio. Expand gallery space into reconstructed conference center.

NSTU:
Relocate Student Union closer to center of campus. Renovate existing building to become conference center, meeting rooms, continuing education classrooms, and gallery.
